Subject Index*

A

Abandonment
Societal child neglect (Nelms). 1994;8:99-100 (Editorial)
Abnormalities
Visual clues to diagnosis of birth defects and genetic disease (Wardinsky). 1994;8:63-73
Access to health care
Providing better access to health care: a pediatric nurse practitioner WIC-based clinic for one-stop health care (Stevenson et al). 1994;8:168-72
Adolescence
The adolescent athlete. Part I: preseason preparation and examination (Overbaugh and Allen). 1994;8:146-51
The adolescent athlete. Part II: injury patterns and prevention (Overbaugh and Allen). 1994;8:203-11
The adolescent athlete. Part III: the role of nutrition and hydration (Allen and Overbaugh). 1994;8:250-4
The lasting impact of fetal alcohol syndrome and fetal alcohol effect on children and adolescents (Smitherman). 1994;8:121-6
Lessons for prevention and intervention in adolescent pregnancy: a five-year comparison of outcomes of two programs for school-aged pregnant adolescents (Jones and Mondy). 1994;8:152-9
Levonorgestrel implant use among adolescents (Mashburn). 1994;8:255-60
The teen years—not so fun today (Nelms). 1994;8:247-8 (Editorial)
Adoption
Adoptive families (Castiglia). 1994;8:181-3
Advocacy; *see* **Consumer advocacy**
Alcohol
The lasting impact of fetal alcohol syndrome and fetal alcohol effect on children and adolescents (Smitherman). 1994;8:121-6
Anticonvulsants
The use of new antiepileptic medications in pediatric patients with epilepsy (Carter). 1994;8:277-82
Athletics; *see* **Sports**

B

Back to Sleep Campaign
The "back to sleep" campaign (Hardy Havens and Zink). 1994;8:240-2

*January-February, pp. 1-48; March-April, pp. 49-98; May-June, pp. 99-144; July-August, pp. 145-200; September-October, pp. 201-246; November-December, pp. 247-326.

Bacterial infections
Differential diagnosis of pharyngitis in children (Knudtson). 1994;8:33-5
Hemorrhagic colitis in a toddler (Walsh). 1994;8:191
Practice guidelines (Stevenson and Yetman). 1994;8:39-40
Birth defects; *see* **Abnormalities**

C

Case management
The pediatric nurse practitioner as case manager in the delivery of services to children with heart disease (Uzark et al). 1994;8:74-8
Case study research
Means, motive, and opportunity: case study research as praxis (Muscari). 1994;8:221-6
Cerebral palsy
Office management of the young child with cerebral palsy and difficulty in growing (Zickler and Dodge). 1994;8:111-20
Child abuse
Shaken baby syndrome: identification and prevention for nurse practitioners (Coody et al). 1994;8:50-6
Child abuse, sexual
Is this sexual abuse? (Jonides et al). 1994;8:87
Sex offending among juveniles: development and response (Elliott and Smiljanich). 1994;8:101-5
Child day care centers
Health considerations for pregnant child care staff (Gratz and Boulton). 1994;8:18-26
Sick child care: a developmental perspective (Crowley). 1994;8:261-7
Child neglect
Societal child neglect (Nelms). 1994;8:99-100 (Editorial)
Chronic illness
Family-centered care for children with chronic illnesses (Diamond). 1994;8:196-7
School reentry and the child with a chronic illness: the role of the pediatric nurse practitioner (Rabin). 1994;8:227-32
Clinical guidelines
Practice guidelines, protocols, and procedures (Nelms). 1994;8:1-2 (Editorial)
Practice guidelines (Stevenson and Yetman). 1994;8:39-40
Roseola (human herpesvirus 6) (Stevenson and Brooke). 1994;8:283
Tinea capitis (Stevenson and Brooke). 1994;8:189-90
Clinical insights
Hemorrhagic colitis in a toddler (Walsh). 1994;8:191
Infant with gastroesophageal reflux and fever (Jonides et al). 1994;8:41
Is this sexual abuse? (Jonides et al). 1994;8:87
Kawasaki disease (Jonides and Greene). 1994;8:134
Respiratory syncytial virus infections (Jonides). 1994;8:284
What's so important about blue hands? (Failla and Feroli). 1994;8:239
Clinton Plan
Health care reform—the Clinton Plan and other major reform proposals in the 103rd Congress (Hardy Havens). 1994;8:42-6
Cocaine
The cocaine-exposed infant. Part I: identification and assessment (Forrest). 1994;8:3-6
The cocaine-exposed infant. Part II: intervention and teaching (Forrest). 1994;8:7-11
Colitis
Hemorrhagic colitis in a toddler (Walsh). 1994;8:191
Colony-stimulating factors
Colony-stimulating factors: use in the pediatric population (Part I) (Phillips and Reynolds Restino). 1994;8:82-6
Colony-stimulating factors: use in the pediatric population (Part II) (Phillips and Reynolds Restino). 1994;8:185-8
Comprehensive health care
Comprehensiveness of well child checkups for children receiving Medicaid: a pilot study (Richardson et al). 1994;8:212-20
Congress
Health care reform—the Clinton Plan and other major reform proposals in the 103rd Congress (Hardy Havens). 1994;8:42-6
Consumer advocacy
"All politics is local"—creative suggestions for advocacy at the local level (Hardy Havens et al). 1994;8:88-90
Contraception
Levonorgestrel implant use among adolescents (Mashburn). 1994;8:255-60
Correction
Kawasaki disease (Jonides and Greene) (1994;8:134). 1994;8:200
Cost analysis
The pediatric nurse practitioner as case manager in the delivery of services to children with heart disease (Uzark et al). 1994;8:74-8

D

Day care
Health considerations for pregnant child care staff (Gratz and Boulton). 1994;8:18-26
Sick child care: a developmental perspective (Crowley). 1994;8:261-7
Dentistry
Update in pediatric dentistry (Jones et al). 1994;8:160-7
Development disorders
Pediatric nurse practitioners and educational mainstreaming (Sarzynski). 1994;8:27-32
Diet
Lactose intolerance (Castiglia). 1994;8:36-7
Office management of the young child with cerebral palsy and difficulty in growing (Zickler and Dodge). 1994;8:111-20
Doll clinic
The doll clinic: a preschooler's guide to less fearful health care (Johnson). 1994;8:291-2
Domestic violence
Domestic violence: children are victims too! (Nelms). 1994;8:201-2 (Editorial)

Drug implants
Levonorgestrel implant use among adolescents (Mashburn). 1994;8:255-60

E

Editorials
Domestic violence: children are victims too! (Nelms). 1994;8:201-2
Health care reform and the nurse practitioner (Nelms). 1994;8:49
Play: needed now more than ever (Nelms). 1994;8:145
Practice guidelines, protocols, and procedures (Nelms). 1994;8:1-2
Societal child neglect (Nelms). 1994;8:99-100
The teen years—not so fun today (Nelms). 1994;8:247-8
Education
Educating youths and their parents about the prevention of firearm injury (Brady). 1994;8:127-9
Establishing a PNP faculty practice clinic for medical EPSDT screening (Jordan). 1994;8:140-1
The future of nurse practitioner education (Hardy Havens and Zink). 1994;8:192-5
Pediatric nurse practitioners and educational mainstreaming (Sarzynski). 1994;8:27-32
School reentry and the child with a chronic illness: the role of the pediatric nurse practitioner (Rabin). 1994;8:227-32
Support for new parents (Stuber). 1994;8:243-4
Epilepsy
The use of new antiepileptic medications in pediatric patients with epilepsy (Carter). 1994;8:277-82
Epstein-Barr virus
Epstein-Barr virus infection in children: implications for the treatment of infectious mononucleosis (Brady). 1994;8:233-5
Erythropoietin
Colony-stimulating factors: use in the pediatric population (Part II) (Phillips and Reynolds Restino). 1994;8:185-8
Escherichia coli
Hemorrhagic colitis in a toddler (Walsh). 1994;8:191
Eye
Strabismus (Castiglia). 1994;8:236-8

F

Faculty practice clinic
Establishing a PNP faculty practice clinic for medical EPSDT screening (Jordan). 1994;8:140-1
Family
Adoptive families (Castiglia). 1994;8:181-3
Conceptual underpinnings of the family support movement (Thomas). 1994;8:57-62
Family-centered care for children with chronic illnesses (Diamond). 1994;8:196-7
Grandparenting: benefits and problems (Castiglia). 1994;8:79-81
Support for new parents (Stuber). 1994;8:243-4
Fear
The doll clinic: a preschooler's guide to less fearful health care (Johnson). 1994;8:291-2
Fetal alcohol syndrome
The lasting impact of fetal alcohol syndrome and fetal alcohol effect on children and adolescents (Smitherman). 1994;8:121-6
Fever
Infant with gastroesophageal reflux and fever (Jonides et al). 1994;8:41
Firearms
Educating youths and their parents about the prevention of firearm injury (Brady). 1994;8:127-9
The handgun as a consumer product (Schwartz). 1994;8:288-90
A pediatric nurse practitioner call to arms: new solutions needed for nation's growing public health problem (Hardy Havens and Zink). 1994;8:135-7
Fungal infections
Tinea capitis (Stevenson and Brooke). 1994;8:189-90

G

Gastroesophageal reflux
Home care of the infant with gastroesophageal reflux and respiratory disease (Berube and Parrish). 1994;8:173-80
Infant with gastroesophageal reflux and fever (Jonides et al). 1994;8:41
Genetic diseases; *see* **Hereditary diseases**
Government
Lobbying the "other" branch of government (Hardy Havens and Zink). 1994;8:285-7
Grandparents
Grandparenting: benefits and problems (Castiglia). 1994;8:79-81
Granulocyte colony-stimulating factor
Colony-stimulating factors: use in the pediatric population (Part I) (Phillips and Reynolds Restino). 1994;8:82-6
Granulocyte-macrophage colony-stimulating factor
Colony-stimulating factors: use in the pediatric population (Part I) (Phillips and Reynolds Restino). 1994;8:82-6
Growth and development
Adoptive families (Castiglia). 1994;8:181-3
Grandparenting: benefits and problems (Castiglia). 1994;8:79-81
Hemangiomas (Castiglia). 1994;8:130-1
Lactose intolerance (Castiglia). 1994;8:36-7
Office management of the young child with cerebral palsy and difficulty in growing (Zickler and Dodge). 1994;8:111-20
Smokeless tobacco (Castiglia). 1994;8:274-6
Strabismus (Castiglia). 1994;8:236-8
Guns; *see* **Firearms**

H

Hand
What's so important about blue hands? (Failla and Feroli). 1994;8:239
Head injuries
Shaken baby syndrome: identification and prevention for nurse practitioners (Coody et al). 1994;8:50-6

Head protective devices
Promoting helmet use in recreational sports (Swartz). 1994;8:138-9
Health care reform
Health care reform and the nurse practitioner (Nelms). 1994;8:49 (Editorial)
Health care reform—the Clinton Plan and other major reform proposals in the 103rd Congress (Hardy Havens). 1994;8:42-6
Lobbying the "other" branch of government (Hardy Havens and Zink). 1994;8:285-7
Health promotion
Means, motive, and opportunity: case study research as praxis (Muscari). 1994;8:221-6
Heart diseases
The pediatric nurse practitioner as case manager in the delivery of services to children with heart disease (Uzark et al). 1994;8:74-8
Helmet
Promoting helmet use in recreational sports (Swartz). 1994;8:138-9
Hemangioma
Hemangiomas (Castiglia). 1994;8:130-1
Hemorrhage
Hemorrhagic colitis in a toddler (Walsh). 1994;8:191
Hereditary diseases
Visual clues to diagnosis of birth defects and genetic disease (Wardinsky). 1994;8:63-73
Herpesvirus-6
Roseola (human herpesvirus 6) (Stevenson and Brooke). 1994;8:283
Home care
Home care of the infant with gastroesophageal reflux and respiratory disease (Berube and Parrish). 1994;8:173-80
Hydration
The adolescent athlete. Part III: the role of nutrition and hydration (Allen and Overbaugh). 1994;8:250-4

I

Infant
Home care of the infant with gastroesophageal reflux and respiratory disease (Berube and Parrish). 1994;8:173-80
Infant with gastroesophageal reflux and fever (Jonides et al). 1994;8:41
Infant, newborn
Adoptive families (Castiglia). 1994;8:181-3
The cocaine-exposed infant. Part I: identification and assessment (Forrest). 1994;8:3-6
The cocaine-exposed infant. Part II: intervention and teaching (Forrest). 1994;8:7-11
The lasting impact of fetal alcohol syndrome and fetal alcohol effect on children and adolescents (Smitherman). 1994;8:121-6
Support for new parents (Stuber). 1994;8:243-4
Infectious mononucleosis
Epstein-Barr virus infection in children: implications for the treatment of infectious mononucleosis (Brady). 1994;8:233-5
Injuries; *see* Wounds and injuries
Interleukin-3
Colony-stimulating factors: use in the pediatric population (Part II) (Phillips and Reynolds Restino). 1994;8:185-8

J

Journals
Communicating research findings to readers of clinical nursing journals: guidance for prospective authors (Zotti et al). 1994;8:106-10

K

Kawasaki disease
Kawasaki disease (Jonides and Greene). 1994;8:134

L

Lactose intolerance
Lactose intolerance (Castiglia). 1994;8:36-7
Lead poisoning
Diagnosis and management of lead-poisoned children: the pediatric nurse practitioner in a specialty program (Needham). 1994;8:268-73
Legislative news
"All politics is local"—creative suggestions for advocacy at the local level (Hardy Havens et al). 1994;8:88-90
The "back to sleep" campaign (Hardy Havens and Zink). 1994;8:240-2
The future of nurse practitioner education (Hardy Havens and Zink). 1994;8:192-5
Health care reform—the Clinton Plan and other major reform proposals in the 103rd Congress (Hardy Havens). 1994;8:42-6
Lobbying the "other" branch of government (Hardy Havens and Zink). 1994;8:285-7
A pediatric nurse practitioner call to arms: new solutions needed for nation's growing public health problem (Hardy Havens and Zink). 1994;8:135-7
Letters to the editor
Letters to the editor. 1994;8:132-3
Query about a "letters to the editor" section (Zajac) (Letter); (Editor) (Reply). 1994;8:184
Levonorgestrel
Levonorgestrel implant use among adolescents (Mashburn). 1994;8:255-60
Lichen sclerosus
Is this sexual abuse? (Jonides et al). 1994;8:87
Lobbying
Lobbying the "other" branch of government (Hardy Havens and Zink). 1994;8:285-7

M

Mainstreaming
Pediatric nurse practitioners and educational mainstreaming (Sarzynski). 1994;8:27-32
Manuscript review panel
Manuscript review panel. 1994;8:249
Medicaid
Comprehensiveness of well child checkups for children receiving Medicaid: a pilot study (Richardson et al). 1994;8:212-20

Journal of Pediatric Health Care
Volume 8, Number 6

Medicaid—cont'd
Establishing a PNP faculty practice clinic for medical EPSDT screening (Jordan). 1994;8:140-1
Medically underserved area
A mobile clinic experience: nurse practitioners providing care to a rural population (Lee and O'Neal). 1994;8:12-7
Mobile health units
A mobile clinic experience: nurse practitioners providing care to a rural population (Lee and O'Neal). 1994;8:12-7

N

National Certification Board update
National Certification Board update. 1994;8:93-4, 142-3
Nicotine
Smokeless tobacco (Castiglia). 1994;8:274-6
Nutrition
The adolescent athlete. Part III: the role of nutrition and hydration (Allen and Overbaugh). 1994;8:250-4
Office management of the young child with cerebral palsy and difficulty in growing (Zickler and Dodge). 1994;8:111-20
Providing better access to health care: a pediatric nurse practitioner WIC-based clinic for one-stop health care (Stevenson et al). 1994;8:168-72

O

Oral health
Update in pediatric dentistry (Jones et al). 1994;8:160-7

P

Parents
Support for new parents (Stuber). 1994;8:243-4
Patient education review
Sun protection (Hobbie). 1994;8:91-2
Support for new parents (Stuber). 1994;8:243-4
Patient management exchange
Differential diagnosis of pharyngitis in children (Knudtson). 1994;8:33-5
Educating youths and their parents about the prevention of firearm injury (Brady). 1994;8:127-9
Pediatric pharmacology
Colony-stimulating factors: use in the pediatric population (Part I) (Phillips and Reynolds Restino). 1994;8:82-6
Colony-stimulating factors: use in the pediatric population (Part II) (Phillips and Reynolds Restino). 1994;8:185-8
The use of new antiepileptic medications in pediatric patients with epilepsy (Carter). 1994;8:277-82
Pharyngitis
Differential diagnosis of pharyngitis in children (Knudtson). 1994;8:33-5
Kawasaki disease (Jonides and Greene). 1994;8:134
Practice guidelines (Stevenson and Yetman). 1994;8:39-40
Physical examination
The adolescent athlete. Part I: preseason preparation and examination (Overbaugh and Allen). 1994;8:146-51
Play
Play: needed now more than ever (Nelms). 1994;8:145 (Editorial)
Poisoning
Diagnosis and management of lead-poisoned children: the pediatric nurse practitioner in a specialty program (Needham). 1994;8:268-73
Policy and position statements
Child care. 1994;8:95-6
School-based and school-linked clinics. 1994;8:198
Politics
"All politics is local"—creative suggestions for advocacy at the local level (Hardy Havens et al). 1994;8:88-90
Poverty
Societal child neglect (Nelms). 1994;8:99-100 (Editorial)
Practice guidelines
Practice guidelines, protocols, and procedures (Nelms). 1994;8:1-2 (Editorial)
Practice guidelines (Stevenson and Yetman). 1994;8:39-40
Roseola (human herpesvirus 6) (Stevenson and Brooke). 1994;8:283
Tinea capitis (Stevenson and Brooke). 1994;8:189-90
Practice management exchange
Epstein-Barr virus infection in children: implications for the treatment of infectious mononucleosis (Brady). 1994;8:233-5
Pregnancy
The cocaine-exposed infant. Part I: identification and assessment (Forrest). 1994;8:3-6
The cocaine-exposed infant. Part II: intervention and teaching (Forrest). 1994;8:7-11
Health considerations for pregnant child care staff (Gratz and Boulton). 1994;8:18-26
The lasting impact of fetal alcohol syndrome and fetal alcohol effect on children and adolescents (Smitherman). 1994;8:121-6
Lessons for prevention and intervention in adolescent pregnancy: a five-year comparison of outcomes of two programs for school-aged pregnant adolescents (Jones and Mondy). 1994;8:152-9
Prenatal care
Lessons for prevention and intervention in adolescent pregnancy: a five-year comparison of outcomes of two programs for school-aged pregnant adolescents (Jones and Mondy). 1994;8:152-9
Product alert
The handgun as a consumer product (Schwartz). 1994;8:288-90
Promoting helmet use in recreational sports (Swartz). 1994;8:138-9
Professional insights
Family-centered care for children with chronic illnesses (Diamond). 1994;8:196-7
Professional journals
Communicating research findings to readers of clinical nursing journals: guidance for prospective authors (Zotti et al). 1994;8:106-10
Protocols
Practice guidelines, protocols, and procedures (Nelms). 1994;8:1-2 (Editorial)
Practice guidelines (Stevenson and Yetman). 1994;8:39-40
Roseola (human herpesvirus 6) (Stevenson and Brooke). 1994;8:283
Tinea capitis (Stevenson and Brooke). 1994;8:189-90

Publications
Communicating research findings to readers of clinical nursing journals: guidance for prospective authors (Zotti et al). 1994;8:106-10

Q

Quality of health care
The pediatric nurse practitioner as case manager in the delivery of services to children with heart disease (Uzark et al). 1994;8:74-8

R

Raynaud's disease
What's so important about blue hands? (Failla and Feroli). 1994;8:239
Research
Communicating research findings to readers of clinical nursing journals: guidance for prospective authors (Zotti et al). 1994;8:106-10
Means, motive, and opportunity: case study research as praxis (Muscari). 1994;8:221-6
Respiratory diseases
Home care of the infant with gastroesophageal reflux and respiratory disease (Berube and Parrish). 1994;8:173-80
Respiratory syncytial viruses
Respiratory syncytial virus infections (Jonides). 1994;8:284
Review panel
Manuscript review panel. 1994;8:249
Role playing
The doll clinic: a preschooler's guide to less fearful health care (Johnson). 1994;8:291-2
Roseola
Roseola (human herpesvirus 6) (Stevenson and Brooke). 1994;8:283
Rural health care
A mobile clinic experience: nurse practitioners providing care to a rural population (Lee and O'Neal). 1994;8:12-7

S

School
School reentry and the child with a chronic illness: the role of the pediatric nurse practitioner (Rabin). 1994;8:227-32
Sexual abuse; *see* **Child abuse, sexual**
Sexual activity
Sex offending among juveniles: development and response (Elliott and Smiljanich). 1994;8:101-5
Shaken baby syndrome
Shaken baby syndrome: identification and prevention for nurse practitioners (Coody et al). 1994;8:50-6
Sick child care
Sick child care: a developmental perspective (Crowley). 1994;8:261-7
Skin neoplasms
Hemangiomas (Castiglia). 1994;8:130-1
Smokeless tobacco; *see* **Tobacco, smokeless**
Social support
Conceptual underpinnings of the family support movement (Thomas). 1994;8:57-62
Societal child neglect (Nelms). 1994;8:99-100 (Editorial)
Sports
The adolescent athlete. Part I: preseason preparation and examination (Overbaugh and Allen). 1994;8:146-51
The adolescent athlete. Part II: injury patterns and prevention (Overbaugh and Allen). 1994;8:203-11
The adolescent athlete. Part III: the role of nutrition and hydration (Allen and Overbaugh). 1994;8:250-4
Promoting helmet use in recreational sports (Swartz). 1994;8:138-9
Staff
Health considerations for pregnant child care staff (Gratz and Boulton). 1994;8:18-26
Strabismus
Strabismus (Castiglia). 1994;8:236-8
Streptococcus
Practice guidelines (Stevenson and Yetman). 1994;8:39-40
Substance abuse
The cocaine-exposed infant. Part I: identification and assessment (Forrest). 1994;8:3-6
The cocaine-exposed infant. Part II: intervention and teaching (Forrest). 1994;8:7-11
The lasting impact of fetal alcohol syndrome and fetal alcohol effect on children and adolescents (Smitherman). 1994;8:121-6
Sudden infant death
The "back to sleep" campaign (Hardy Havens and Zink). 1994;8:240-2
Sunlight
Sun protection (Hobbie). 1994;8:91-2

T

Teenagers; *see* **Adolescence**
Teeth
Update in pediatric dentistry (Jones et al). 1994;8:160-7
Tinea capitis
Tinea capitis (Stevenson and Brooke). 1994;8:189-90
Tobacco, smokeless
Smokeless tobacco (Castiglia). 1994;8:274-6

U

Ultraviolet rays
Sun protection (Hobbie). 1994;8:91-2

V

Violence
Domestic violence: children are victims too! (Nelms). 1994;8:201-2 (Editorial)
Educating youths and their parents about the prevention of firearm injury (Brady). 1994;8:127-9
The handgun as a consumer product (Schwartz). 1994;8:288-90
A pediatric nurse practitioner call to arms: new solutions needed for nation's growing public health problem (Hardy Havens and Zink). 1994;8:135-7

Virus infections
Differential diagnosis of pharyngitis in children (Knudtson). 1994;8:33-5
Epstein-Barr virus infection in children: implications for the treatment of infectious mononucleosis (Brady). 1994;8:233-5
Respiratory syncytial virus infections (Jonides). 1994;8:284
Roseola (human herpesvirus 6) (Stevenson and Brooke). 1994;8:283
Vision
Strabismus (Castiglia). 1994;8:236-8

W

Well child care
Comprehensiveness of well child checkups for children receiving Medicaid: a pilot study (Richardson et al). 1994;8:212-20
Whiplash injuries
Shaken baby syndrome: identification and prevention for nurse practitioners (Coody et al). 1994;8:50-6
Women, Infants, and Children (WIC)
Providing better access to health care: a pediatric nurse practitioner WIC-based clinic for one-stop health care (Stevenson et al). 1994;8:168-72
Wounds, gunshot
Educating youths and their parents about the prevention of firearm injury (Brady). 1994;8:127-9
The handgun as a consumer product (Schwartz). 1994;8:288-90
A pediatric nurse practitioner call to arms: new solutions needed for nation's growing public health problem (Hardy Havens and Zink). 1994;8:135-7
Wounds and injuries
The adolescent athlete. Part II: injury patterns and prevention (Overbaugh and Allen). 1994;8:203-11
